

## Clear Cache and Deleting Cookies

Remember to clear cache and delete cookies on a regular basis (weekly is good, but if you do a lot of Web browsing, you may want to do this more often).

### Internet Explorer 7 (IE7)

**Tools->** and then **Internet Options**.

Click on the **General** tab and then the **Delete...** button.

Click the **Delete files...** button and then **Yes**

Click the **Delete Cookies...** button then **Yes**

Click the **Close** button and then the **OK** button.

### Firefox 2

Click on **Tools | Options**.

Click on the **Privacy** icon.

Click on **Clear Now** under the **Private Data** section.

Click on the **OK** button to return to browsing.
